

### **2019 Areté Brut Rosé**

“Areté Brut Rosé demonstrates the versatility obtainable of the Pinot Noir grown in our Estate vineyard high above the valley floor. Fermented in mature, French oak barrels this wine has delicate aromas of bing cherry, pomegranate and hibiscus well complemented on the palate by honey on buttered toast with bright acidity and persistent mousse. We utilize the same small lot, hands-on techniques traditionally used to produce the world’s finest sparkling wines.”
